TAKE TIME

Our mission is to encourage people to take time for themselves. Why?
Every day, we see people prioritising other people's time. Caring for people,
connecting with them, meeting their needs, being there for them...
but what about you?

We want to urge you to take time for yourself – time to dream, to care for yourself,
to simply be with yourself. Do you still know who you are? Do you still know what
you need? Do you remember your dreams? Did you have a hobby? Did you like to
read? Walk by the sea, wander in the woods, watch the sky? Have you ever dreamed
and been surprised by your own thoughts?

When was the last time you were truly with yourself, or with
the people who matter to you?
